“ So sorry to learn the news of your mother's passing, Nancy. I first knew your mother in Women's Club, and she was always friendly to me and encouraging of my participation. I always admired her active life, even as age crept up on her health. Thinking of you as you travel this path of loss and remembrance--cubby

“ Nancy and Niina, your mom was always so wonderful and welcoming to me when I joined the Wigglesworth family. We have a photo in our living room of Aunt Beuna, Paul , Jockey and myself from her big party , that I treasure look at everyday. I have been keeping you both, along with the entire family in my prayers since Sunday. Sending comfort, hugs, kisses and prayers, and will be thinking you tomorrow. Remember she will continue to be in each of hearts for eternity. I love you , Sally

“ I worked in the Laurel Circuit Clerks Office and got acquainted with Buena as a Social Worker. She was such a nice lady and definitely had a heart for the children of Laurel County. Peace and prayers to her family.

“ Words cannot express how I will miss my close friend, Beuna Bishop. We worked together several years at Social Services. I had not worked very long when Beuna called me on Christmas Eve asking me to go with her to get food for a family that had “fallen through the cracks”. An expression for a family in an unfortunate situation with no one to help. I was waiting on my family to come in from another state, but how could I say “no” to Beuna. We went to Kern’s Bakery first they gave us all kinds of goodies. Someone had given us a donation of \$25.00. We went to Kroger. We may have spent more, but Beuna never mentioned it. That was Beuna! I can’t explain how the family reacted especially the children to see all the food. Thats just one case, but I recall many more trips with Beuna. I grew up being told to always be nice to people, but Beuna taught me to love and care for the less unfortunate. I love her for that!!

“ Nancy and Nina, I'm so sorry for the loss of your mother. I was shocked when I read it on Facebook. She gave me my very first job babysitting you two after school. I look back on it now and realize I was just a kid also. She was a very gracious lady to everyone and a very kind and loving neighbor. I will always remember her with love.
