“ Even though it is True, Heaven did gain another Angel, That doesn't make this any easier to bear, I wish I could be with you all at this time, just know that the Family & Friends will be in my Prayers, now and Ever.

There was just something about Alice, you couldn't help but to Love her, she was already an Angel here on Earth, now she is home, and watching over each of us, her friends and family.

I knew her when she was a little girl, she was sweet. I have just found her on this site. I cared about her and her parents and relatives, I spent a lot of time with her and the family, when I was a teen, Susie, Alma, and Darrell. Especially Jimmy and Roy both of whom I dated. I don't know where Jimmy is now, I lost touch with him several, several years ago. I know Roy was killed several years ago. That saddens me. We were "pals". They treated me with the up most respect. I will always remember them.

I know I am talking more about them and her family and not Alice, this family was a big part of my teen years and I love them. I hope the family remembers me with kind thoughts. I am so sad for this family and I know they have grieved much.

Alice, I hope you are looking down on me too and know how much love I had for all of you. I'm sorry we lost touch. Rita Lykins
