“ Always loved to visit Aunt Alma. We would set up at night and look at the ALBUMS of pictures and history of our families. She (along with Tina's help) put together such good memories for all of us. She and Mom were best friends as well as sisters. Dad always said Liz (that is what Dad called her) and Mom could sit up all night and gab. Then he would smile big. Thank you Aunt Alma for all the good times we shared and you and Uncle Ed for the presents (dresses) you gave Brenda and me when we were little. Only little ones on the Cheek side for quite a few year. Love for you will always be in my heart. Barbara Lee.
