“ *I remember the time when our car broke down on the home from my Aunt Bea who lived in Dover, Ohio and we tried to call back here to get help. Andrew was the one we were able to reach and God was really at work on this problem. Because Andrew drove truck for Campbell's he knew exactly where to find us. He and your mom came and got us. They towed the car home and we rode in the back of the pickup truck . We got home safe and sound.*
