“ Shorty has been my Best friend since 8th Grade. She was the 1st girl to come over to talk to me in gym. As I was shy just moving back to town and didn't really know anyone. She and I have been best friends, she lived with me for some time and helped me w my baby boy while I worked. We have never lost the closeness from day one. Even when she started her own family. Moved away with mike mccrystall and had Stephanie. Moved back. We have long talks about growing old and being those fisty old ladies. She loved to help people and only wanted LOVE in return. That's it.. loved her children and grandchildren, that was her life line. We lost a great living soul too soon. I can't tell everything I would have to write a book. Sing and dance for me in heaven my dear friend. I can hear you laughing.

Shorty was a great friend of mine daughter Denise. They go back many years. That is how I got to know Shorty and loved her dearly. She was always able to put a smile on your face. She was a sweet person and will be missed. Prayers go out to her children and family.
