Angela was a devoted homemaker whose gentle spirit and kind heart touched everyone who knew her. She loved the simple beauty of life — the sound of water, the peace of nature, and the joy of collecting unique rocks that reminded her of the places she loved to explore.

Angela shared a special bond with her beloved dog, Aries, and found great

Angela never had a bad word to say about anyone or anything. Her positivity, patience, and grace left a lasting mark on all who were blessed to know her. She will be remembered with love for her gentle soul, her laughter, and her unwavering heart.

A memorial service will be held at a later date. In lieu of flowers, the family respectfully suggests donations be made to the funeral home to help with funeral expenses. Donations may be made in person, by check, by mail or through the following link:

“ I first met Angela (Ann) when she started dating my step-brother,
Anthony (Tony) more than 30 years ago. Some of my fondest
memories were spending the night with them as a kid. Ann was
always so kind, authentic, and loving. She treated me like a brother
from day one. As I got older we didn't see each other as often but
when we did, it was like no time passed at all. I'm so grateful for all
the memories that I can look back on and smile knowing she was a
great human being who made others feel great about themselves.
RIP Ann.

Love,
Austin

“ I remember when you worked at subway and I would come in early
just to help you close and we would go out back when you would

shinning that night, you was my adopted momma for sure. Im gonna
miss you beyond measures. Rest easy beautiful until we meet again
I love you.

I know you're up there with Cody, who your heart longed to see. I'm so sorry you were taken off this Earth so soon, but you're pain free and with our Heavenly Father. I remember you and Tiff always hung out and now you can see her too. Please say hi to everyone up there for me. Until we meet again beautiful Angel.
