“ We have known Ann many years through homemakers and her and Steve’s dairy supply business. She was such a kind, hospitable lady and a joy to spend time with. Our prayers are with the family as they experience another parent’s death. May you feel God’s loving arms around you. Ann and Steve have fought the good fight, won the race and are together again. “ Ronnie, Lisa and the rest of the family, I'm so very sorry for your loss. Ann stood for all that was good and right in this world. She was patient, caring, and above all, like Steve was she adored her children and grandchildren. She never wavered in her beliefs and would take however long it took to explain anything you wanted to find out about if she knew it. She remembered things from her childhood and growing up that she was still using when I last saw her. Unfortunately, I hadn't seen her or Steve for quite some time and I regret that.
