“ *Ash was a leader in the mobile gaming platform: Clash of Clans. Though we didn't know her on a face to face basis, together we had fellowship discussing strategies, cooperating as a team, and sometimes talking of life outside the game. We interacted with her on a near daily basis and will miss her quick wit, sharp mind and enthusiasm in this hobby she obviously loved. There are members deeply feeling her loss as far away as the United Kingdom. We will miss her dearly.*

*Our heartfelt prayers and condolences go out to her family.*

“ I was so saddened when I heard what happened. I rode the school bus with her and her brothers all through elementary and middle school. Although I hadn't seen her in years I still remember how sweet she always was and how protective her two brothers were of her. My heart goes out to David and Greg and the rest of the family
