“ *Billie was my guardian angel here on Earth, literally she made sure I was treated with respect and could NOT stand anybody walking over me or using me. She taught me how to say NO, to not trust ANYONE because people are so selfish and greedy these days. I know she will always be right behind me. Thank You Billie for teaching me the world is beautiful as long as I don't let the ugly in. It's all up to me.*

I will miss you, I will always be your "LITTLE BIT".

For all who may read this, rest assured that Billie made a major impact on the life of a broken and beaten down woman. Thank God I was blessed to call her my friend.

I love you.
