“ I am so sad for Barbara's family during this difficult time. Barbara was my first cousin. She had fought her battle with sickness for a long time, but was courageous, caring, and thoughtful of others, and showed her love. She visited our mother, her aunt Bethel, and our/her aunt Liz, during their sickness, and when they lost their battles, and we had to say 'see you later' to them. We will miss Barbara's sweet, sweet, loving smile! This is not goodbye, but time to say to Barbara, 'see you later.' I believe she is in the presence of her Heavenly Father. I pray this thought brings comfort to her children, as it does to us. Rest now, in the arms of Jesus, sweet Barbara! We will see you again, where there is no more sickness, nor pain, nor parting, nor tears - on the streets of Glory! I love you!

“ Barbara was my first cousin. My mothers brothers daughter. I loved her very much. So sad to hear of her passing. Her daughter, Denise was so kind to our mother while she was ill. Barb and Denise were wonderful visitors to our Aunt Elizabeth and my mom while they were alive. I love you Barb! I will forever remember you! May you rest in sweet peace. I will see you again.

“ So sorry to learn of the passing of this sweet cousin. She has fought a good fight. She always had a smile and never let you know how she was suffering. She will be remembered for her kindness and love that she showed to our family when our Mother, her Aunt Bethel, was so sick and in the hospital. She was sick herself, but came to the hospital with Roger, bringing a gift for Mom. She came to her funeral April 17 th of this year and to the funeral of her cousin less than a month later, in May. She was sick then, but was there for her family. What a love that shows. We will miss her so much and are grieving with her family. She is out of pain now and with her Heavenly Father and the loved ones that have gone on before her. Rest in peace , my dear sweet, beautiful cousin. With all my love, Dianna Falin Bradley
