“ Remember Betty well as a coworker at AG. She was a hard worker, and one that was always ready for conversations. And boy could drive that pickup truck.... Especially at quitting time. Hwy 25... here she comes. Just a great lady and coworker. Thoughts to her family and friends.

“ I've known Betty since 1984 and I've always enjoyed being with her. She was always so much fun! I think what I loved about Betty most was how big she loved her family especially I appreciate how much she loved Amanda Lee Adams she made sure that Amanda got to go to the beach every year. she and Louise Wilson her sister made sure Amanda got to spend time with family for years every Sunday between services. She would have time with them and then she would come back telling me all the funny thing. Aunt Betty and aunt Louise said I'm so sorry for your loss. Praying for all of you.
