“ I'm shocked and saddened to learn of her passing. I live out of state, and don't get back home too much. I just want to say women this special are far and few between. She was one of the nicest and sincere persons I've ever had the pleasure of chatting and interacting with at the bank. She was always so beautiful, hair and make up flawless. Her beauty on the inside was even stronger. I know this lady is in heaven. God Bless all the family and friends. She will surely be missed. Sonya Potter Colwell.
