“ I'm so sorry to hear of your moms passing her and my sister Gaye were great friends and first cousins too!!! We all spent many days together growing up. I love her so very much. I loved going through her stuff when I was allowed to go upstairs where her room was at. She of course got so mad at me for doing so and could tell I did. We also got to spend the night sometimes when her and Gaye allowed us to do so. They mostly didn't allow it. I loved my Uncle Scott on my mother's side was her brother. I loved Aunt Kate to of course she was one of my favorites she treated us like one of her own. Well her and Gaye are back together again I can hear them giggles now. Bless you all during the days ahead as Betty was one of a kind!!!
