“ Oh my goodness Geraldine, you know how much I loved your husband. Billy Randall was the Pat Boone or Troy Donahue of London. He would pull up in front of Bengé Farm Supply with all that Blond hair in his big, long convertible and I would swoon!!! He and Uncle Charlie were always big buds, so they would tease me and Marna. If we were really lucky and Glynda was here, he might give us a ride in his plush mobile!!! And I loved that he was so sweet to his Mother, my Aunt Janie!!! Prayers are with you.
