“ *To the family of Bobby Allen:*

*I'm so sorry for your loss.*

*Bobby was a very good friend to my dad (Fred King) who passed away last year. He was a very nice man and a good person. Bobby helped me a lot by helping take care of my dad's beloved dog and cat during the time my dad was very ill and in the hospital for weeks before he passed away. I lived out of town and had to travel back and forth and Bobby was always there to help me when I needed help with the pets and collecting the mail. I will never forget him being a great friend to my dad and going out of his way to help us both in our time of need.*

*May God be with you and your family during this very difficult time.*

*God Bless*
