“ Breanna was pure joy. We always had a great time at the office. I knew we would get along so well after meeting her. She had this energy that can light up the entire room. Her eagerness to learn and help brought a happy vibe.

I miss you, Bree. I miss laughing with you. I miss listening to you talk about your lovely family. Save me seat up there, okay? Lunch time was always a great time for us to catch up. I can't believe we won't be able to that anymore. There's so much I want to tell you. My deepest condolences to the Taylor family and friends. Bree was truly a blessing. Our friendship will always have a special place in my heart.

“ Our Sweet Breanna was definitely one of a kind. We used to look forward to seeing her when she worked at Big Boys. She had a beautiful smile, and was always friendly, funny and a sweetheart. You will be missed our little love.

“ What a beautiful soul Bre was, I'll never forget the first time I saw her on her first day of kindergarten to the last day I saw her at Ashley's wedding. I was so blessed to know her, how easy it was to love her, that beautiful smile and always a warm friendly greeting. We are broken here but the heavens must be rejoicing to gain such a beautiful soul. You'll always be in my heart....

“ Bre had a personality that would just reach out and grab you up. U had to smile around her or just bust a gut laughin. She had more THUG in her than I did. (Hint hint, I am the black one out of both of us.) But coming from KY now in AZ we vibed. I used to wait until she was in her bedroom and tell SIRI to shut off everything in her room randomly. Told her she was grounded. Will miss u BRE. Tell JESUS to keep the BLOCK HOT 🔥😎 for me.
