“ *Brian was such a remarkable individual. He did not let his handicap control his life but lived as an example to all. In every endeavor he gave 100%. He devoted his life to helping relive suffering in people & animals. I can recall that as a child Brian was always in church services at Mt. Zion, Church of Christ with Betty & Loretta. As an adult when visiting London we would once again see him at church. Brian never forgot the members & always made a point of talking with us. He was so excited to tell about the travels that he & Betty made through the years. Brian was such a wonderful son & my heart goes out to his parents. May God give you the strength to endure this loss.*

“ *Brian was such a joyful person. I appreciated how kind and funny he was. I remember him visiting his cousin Connie when she and I taught together in Nashville. Brian would make us laugh so much. Going out for dinner on one of his visits, I recall how Brian asked for two different sides of potatoes as only he could. I'm very glad to have known him.*
