“ Carl B. was always a big cut up and we had Mrs. Parrott for home room, he asked her once if she had any hanger nail hippers, that he had a drag trail that needed to be cut off. She looked at him and said what, and he repeated the same thing. She chuckled and gave him a pair of finger nail clippers to use. He liked to aggravate her, but you could tell she never got mad at him. R.I.P. Carl B.
