“ Charlie's family, I can't begin to tell you how sorry I was to learn that he had gone to be with our Lord. I was about 14 when I first met Charlie. I thought he was about the cutest thing I had ever seen. Even though our dads were first cousins, I had never met them before. It didn't take long and Aletha became another sister, and he a very dear friend. I have been gone for over 50 years, but when we did happen to see each other, we would just start talking as if we had seen each other the week before. He was and always will be a very special guy to all that loved him. May God's blessings be with you in the days ahead. Carol Mahaffey Kunkel
