“ Chasta was a great friend to me many years ago. She saw me at my worst, perched precariously just barely above rock bottom and never judged me. She let me know when she thought I was wrong but always had a smile, a laugh, or a kind word. She was one of a kind and will be sorely missed. My condolences to all her family and friends.

“ Chasta is one of my dearest and closest friends. She was one of the best and most kind hearted people I had the pleasure of knowing. She always gave the best advice and never judged me. She was the most perfect friend a girl could ask for. My heart breaks to lose my best friend. I'm gonna miss that beautiful soul. Rest easy Chasta, I love you!
