Fay, Kathy and family, I wanted so much to be with all of you tomorrow Glenna and I have been discussing about the viewing and she works Monday and travels on her job, so we thought it is a rough trip down there and back in one day. Gary is in Alabama and he can't make it either. Don did so much for mom and we thought so much of him and all of you for that help. He seems like a brother to me and I hate so bad I can't be there, but my thoughts. love and prayers are with all of you and if we can help in any way please let us know. May God be with all of you through this sad time.
