“ Clarence and I had many wonderful memories that we made together. The first trip we went on I saw cotton growing in the fields , tobacco sheds and some of the most beautiful mountains I have ever seen. We took many trips to Key West and walked in the sand and splashed in the ocean. There are far too many things to try to remember at this time. I will always treasure the beautiful memories we shared together. We both loved NASCAR. I was a Junior fan and Clarence was a Gordon fan. We had some wonderful Sundays watching the races. I consider Clarence as a kind and gentle man. He was my best friend and I loved him with all my heart.
