“ *Craig is my older brother and I am and will miss him terribly. He always called me brat, being the older brother and picking on the baby. Lol. I will miss being able to talk to him about my problems or life in general. I will miss everything about Craig!!! I know time heals all but it sure feels like time is to far away for the pain to go away. He once gave me a place to stay and I will never forget the time that I spent getting to know my Big Brother. I love you Bubby. You Truly did Rock and had a Groovy Spirit.*
