“ Kathy, we are so saddened that Laford is gone from this world, but, are happy to know he is no longer suffering in pain. You know Charley & I thought highly of him. I wish we could have made it to Kentucky more often. I have fond memories of sitting on the front porch, drinking coffee & watching Laford & Charley reminisce & take a trip down memory lane. You & Laford were always so gracious in inviting us to spend the night in your home. We enjoyed the times we went to Cracker Barrel Restaurant together, shared a meal together while chatting & then go outside, stand and talk for another hour! Laford and Charley surely enjoyed each others company! He is surely going to be missed. But, we know you had some wonderful years together! May God help you through this sad time!

*Thinking of You,
Charley & Ginger Taylor*
