“ I've known Daniel his whole life as his aunt he spent many weekends as a child with his brother Dustin playing with my son Chris. They played hard, laughed a lot and were just boys. We vacationed together and shared many good memories. I can never remember them ever complaining our having an argument with one another. Daniel was always making us laugh that seemed to be his favorite. It didn't even have to be funny just the way he would say something or his facial expressions would just crack you up. He will be sadly missed. He was almost like a son to me. He will be sadly missed. Love you Daniel. ❤️

“ *Daniel went to school with my kids and was around my house a whole lot. He was always smiling and a pleasure to know. Daniel had a great sense of humor and always made everybody laugh. So sorry for his family, especially his children. Special heartfelt sympathy for Sherry, his mother. A mom should never have to bury her child.*
