Big Mac was a wonderful guy and teacher even though I only had him for study hall he would let me out of class to clean my locker lol, and with a smile he would say "don't be wandering the halls now". He truly will be missed.

We loved Danny so much our hearts is broken. We got to know him this last year he was our neighbor and he became our family. He loved Kayelynn he would encourage her to play basketball and train her lol. We went every week to see him and let kayelynn take his trash out and he always put her money under the trash can it was her job. Danny was our only true friend and my heart breaks. We prayed together....we love you Danny and we give our respect to the family.

Danny was such a fine person and a wonderful man. My fondest memories of him were at Big Creek grade school when he was my football coach in sixth grade. At M. C. Napier High school he was also my football coach. Danny and I loved to play softball, we had many great times playing on the same team together. He will truly be missed. My prayers go out to all the family, God bless you all. Hershel Dixon Jr.

I am so sad to hear that one of my favorite people I ever met in grade school was coach DannyMcAlarnis.As young boys we all saw this mammoth of a man was going to show us what it took to play football.Coach as we all came to call him treated him with the utmost respect and he did the same with us.He was a man that knew what it took to be winners, and he taught us how also.I am so sad to hear that one of my favorite people I ever met in grade school was coach DannyMcAlarnis.As young boys we all saw this mammoth of a man was going to show us what it took to play football.Coach as we all came to call him,We studied harder just so we could stay on the team.He made such an influence on us we wanted to have a winning season and that's what happened. I wish all kids could have a coach like him.If you ever get to have a coach like I did,you give him all you have because he will never let you down. I only played football but I would never trade my 7-8 grade at Big Creek Elementary,or my coach Danny McAlarnis. If I've never said it before,I love you coach. Timothy Melton

“ Mr. Macalarnis (or ‘Mac’, as we all fondly knew him), was one of the greatest teachers ever at M.C. Napier High School. He was always so uplifting and never too busy to talk to us students or just to share a laugh. He will never be forgotten! My condolences to the family.
