“ Danny and I kinda grew up together. We experienced love and pain. A marriage and a divorce, but remained friends. His family and mine were intertwined with the birth of his 1 son, Dustin. I admired his humor and his love for his children. He was ‘a part’ of the old E. Bernstadt where he made his home. A lot if people saw Danny as a fixture in the community, I saw him as my friend. I will cherish the personal memories he left behind in my life.
