“ Too many memories to even start writing them all, but my earliest was the scariest...out in the back field, behind Aunt Anner and Uncle George's house...you put my on your horse and smacked it...that crazy horse took off...I was 8, I had NO idea how to stop a horse...hahahahaha, but you were my hero..you ran and got me. I lived. Many hours of hide-n-seek and kick the can in that front yard...I will miss you forever. Love you always.
