“ Sorry for such a late post but I just noticed had not posted. Dawn and I were friends from high school. We kept in touch throughout the years and we were fortunate enough to see each other several years back. Dawn was a good friend and I miss her. Prayers to her family.

“ Saw her briefly at a mass class reunion late in the day. She was pushing a stroller in high gear screaming my name. I chatted briefly with her. Glad i did. Too many times those few encounters were the last time i saw people and then i hear of them passing. She was always laughing and had fun. But dont make her mad. Love you Ms Dawn
