“ *There's been a lifetime of memories and laughter, where we shared the good and the bad together. She was a warrior and a champion for those she loved. Love is her legacy, even tough love.*

“ *Aunt Deb was someone who when you met her you didn't forget her, if she didn't make you laugh there was something wrong with you. If you needed something Deb would try her best to get it. She was here after my daughter passed and everybody that had a canned pop she would catch them looking off and put a whole in the can so when they took a drink it would drip down on them lol. She was a sight , always making you laugh. Love you and you will be missed. Prayers for her kids and grandchildren*
