“ *My first month at college, Aunt Della send all of the groceries I would need for months. I had little money. I will never forget how much I appreciated that. I also remember how every Christmas, someone in need would appear. Invited to our celebrations. We didn't have a lot of gifts, but always had plenty food and deserts. I remember the friends she brought home when she was young and how kind they were to me. I remember drive inns and popcorn, Halloween's and the nights spent with her as a kid. She was an awesome aunt. Every kid should have an aunt like Aunt Della. Love, Glenna*
