“ Carl,

It has been sometime since I last saw or heard from Elaine and yourself. Today I was reflecting back on the people who had made a positive influence on my life and remembered Elaine and yourself from my days at London Tobacco Market. It is with great sorrow that I found Elaine had passed away. However, knowing her personal relationship with Jesus , I know see is in a much better place and we can go see her through our relationship with Jesus. My prayers are with you and your family during this Christmas season.

Thank you, Sandy. You are very thoughtful to remember. Elaine and I are almost twins. I'm only a week older than her. She has never been out of my life. This is so hard to even imagine.
