“ We didn't spend much time together in our younger years but hurricane Michael brought Dennis, Wanda and Bruce to our home for many months when their home was severely damaged. Dennis (Cuz) as we called each other and I became close. He loved on our doggie Otis and always asked about him when we talked on the phone or texted each other. I will always be Thankful for the time we had together. Cuz you have a special place in my heart. I love you and will miss you!!
