“ Lived by Dennis with my parents when I was 10 years old. Always pranking with me and took me fishing with him a couple of times. Couldn't ask for a better friend or example for all to follow.

“ A wonderful man my Uncle Dennis. He was always there for anyone that needed anything. My eye surgery when I was just a small child he was there with me. He traveled to Washington DC with us anytime we went. I always loved him and I will forever. I will be with him again some day. I could type all day and not come close to sharing all the wonderful memories I have of my Uncle Dennis.

“ *One of my greatest memories of Dennis is when he saved my kid. Rob was at home with my 2 year old and I told him that Allison had figured out how to open the front door. Rob was cleaning house and had the vacuum on. He thought that Allison was busy doing something else and all of a sudden, he heard the doorbell ring. He opened the door to see Dennis standing there holding Allison's hand. Allison had escaped and toddled up the street and Dennis stopped her and convinced her to walk back home with him. I knew I had great neighbor's but I have never forgotten that small act of kindness that Dennis showed. He was a fantastic man and we are all the better for being able to call him our friend and neighbor.*
