“ *God speed Uncle Bubby on this new journey you take, please know I will always remember your heart and your kindness. No matter how long it been between the visits in the past, you never let that distance come between us, you only showed me your love you had for me. I will always remember that and your smile - just like my daddy's smile, it lite up the room. Life events kept me away, but my love for you and everyone on the ridge never left me heart. Love you always your niece, Deania*
