Since childhood you have given me,
So much strength within
And this has been a precious gift
That's seen me through thick and thin.

It truly may be said
You bring happiness with all you do

“ Dorothy was such a great person. She was so fun to be around she always treated me as if I was one of her children. She never missed one of my horse shows and you would always find her walking alongside the show ring fence when I was in that ring rooting me on. It is memories like that I will always cherish and by the way she would always know what place I would end up in before the judges ever announced it(I don't know how she did that) she just knew ! I will forever miss her!
