“ Liz was a dear friend who I am so glad that God allowed us to meet on our journey here on earth. One of my favorite memories of Liz was being at her Dad's car lot. We would get in one of the campers and dream of driving to CA after we graduated. We didn't make it but I have admit when things get tough my mind wonders and I find myself in that camper with Liz cruising the Pacific coast. Rest in peace my dear friend.

I Am sending prayers for her family and all her friends that this has touched. I will see you again my sweet friend. Rest well with God and the angels 🥹🙏💜✨

“ I always had a big grin whenever I saw Liz. As did she in return. She was always one of the first on the dance floor or to grab a crazy little girl (me) by the collar of her shirt when she knew I was about to get myself in trouble. I'll forever love and hold dear the memories I have of Liz. She was one of a kind and will desperately be missed by her family, friends, and all that were lucky enough to know her. God Bless the Creech and Bailey family's. With love and prayers Eula Bustle-Nolan

“ *Scott, Robbie, & Creech Family: Liz was such a happy go lucky person. She could cheer you when she was down or sick herself...always quick with a laugh. We shared so many fun times sitting on my porch or just walking from school. She's resting now & catching up w/Mom, Dad, & other family members. You are in our prayers. Bruce & Debi (Fouts)Pippin*
