“ Mrs. Thomas taught @ Colony Elementary with me & my husband, John. She always came to school with a warm smile, soft voice & beautiful clothes. Often I heard her 6th grade girls remark about how beautiful she was & how they hoped to be like her as an adult. She was always ready with a kind word & helpful ways. It was our pleasure to work with Mrs. Thomas. Ruth Robinson

“ What a lady!! Elsie was always so put together and classy. I always enjoyed talking to her so much whenever we would run into one another or at the occasional Cornett Family Reunion. She was so kind and showed such interest in other people's lives. My daughter, Rachel and her grandson Chad were such good friends in school. She never failed to inquire about Rachel. I feel very blessed that Elsie was a part of my family. I pray for God's peace and comfort for all her family. My love to all of you.

“ *Elsie Thomas was my 5th grade teacher at Swiss Colony School. I will always remember her beautiful smile & warmth. She was a super teacher, The last time I saw her was at a dance recital that my great granddaughters were performing at South London High School & she was in attendance. She still remembered me & she still looked so young & pretty. One of my favorite memories of her in class was when she would read stories to us in the afternoon if we couldn't go outside to play, because of rain or snow. The stories were of the Bobbsey Twins, she made the story so interesting & I loved listening to her. May God hold all of you close & comfort all of you. She will be missed by many.*
