“ *I'll always remember when several of us went to Daytona, Fl on vacation. We had a great time. Eugene was always kind and sweet to everyone. He had a heart of gold. Always right there with his family in the good times and bad. He was one of a kind and reminded me so much of my own brother. My sincere sympathy to the family.*

“ I'll always remember going to Travis and Tasha's for a family dinner shortly after Avery was born. When I went in, he was holding her, and was so proud that there were 5 generations there together. Then just this past Sunday, we were kidding one another about helping hunt Easter eggs, when neither one of us was able to. He always had that great smile.
