“ *Eva was a great Aunt. I will always remember her mischievous smile. She would point things out to me and we would laugh together. I had recently visited with her. I am so happy that I had some extra time with her. She is in no more pain .... and just think of the greeting that she is receiving. Wouldn't it be great to have one more hug from your mom, father, son, siblings and spouse? She will have many of those and that makes me happy for her. We have lost a lot with loosing Eva but I will always love her and she will always make me smile.*

*I love you and I will miss you.

“ She was a great Aunt to have. She always had this mischievous smile and would always point out things to me that I would not see. She made me laugh. We would laugh together many times.

Now she can laugh with others that she has not seen in a while.

Can you only imagine what it would be like to hug your Mom again, your dad, your son, your siblings, spouse?

There will be no more pain for her.

Life changes and that is necessary for growth. I will miss her. I know she is in good hands now.

Rest well .. This journey is over .. on to better things.....Until we meet again.

*I love you....I Will Miss You!*
