ME

“ *My sister & I would like to extend our deepest sympathies for your loss. Faye was a wonderful human being and the greatest friend ever to our late mother Mary Ellen. They met while working together in the 1970's and became fast friends. They were both educated women which was not common for women of their time. We know there is nothing we can say that will ease your grief, but know that she was loved by a dear friend. We miss our mother every day and we pray that you find solace in all the good times you spent together.*

Kindest Regards

“ *I grew up in the same neighborhood as Jennifer and Gelia. I will always remember how kind Faye was to all of us girls running in and out visiting with each other. Her heart was as big as all outdoors. My thoughts and prayers are with each of you. Love, Eugenia*
