“ *Yevonnie, my thoughts and prayers are with you and your family today. I only knew of your sister from talking with you occasionally through our work. Sisters create a special bond in our lives. Taking a moment to reflect on that special bond, I hope you can hold onto those memories as only sisters share. When you see a passing butterfly know she is passing by to check on you.*

“ *I met Florence and Jimmy in Germany in 1980. Florence was my first friend. We had a lot of fun times there. I was pregnant there and she thought of the name for my oldest daughter, Treasure. She became like a sister to me. I have missed Jimmy a lot and now she is gone. I look forward to meeting them in Heaven someday.*
