“ Francis was my second mom after my mommy passed away. We would talk almost every day. One day she called & said she needed to ask Jim a question I said ok. She had some how got a skunk caught n her building & wanted to know how he would suggest she get rid of it. Well I don't remember what she figured out. But after that every time we would talk we would call her skunk lady . Then she got to calling him polecat. And one day after that she said well I guess that makes u Mrs Polecat. So we had our own private joke. God I'm going to miss her. RIP Skunk Lady. We love u always. Mr & Mrs Polecat... Jim & Judy

Even when she got worse. I would go c her at Hillcrest she ALWAYS had a great big smile for me.
