“ *If you only met Frank one time, that meeting would be indelible. An ebullient intelligent individual who had a passion for life. He was a force and product of his mother's strong hand. Life was not easy for him, yet his joy was displayed prominently. A devout Christian who feared neither life nor death. His legacy is the family he had and the people he impacted. I miss him dearly.*

*I pray for his loved ones and look forward to our Heavenly reunion.*

“ My deepest sympathy to the family. I worked at Martins Peterbilt for 18 years & got to know a lot of truck drivers & their families. Frank & his brother Gary were two of my favorite truckers. Both of them were always smiling & cutting up with all of us. I'm so sorry for your loss, but, his smile will light up heaven & I'm sure he has a lot of family & friends waiting to greet him there. “ *I am so glad we got to go visit in July of 2019. Frank and Glenda were so gracious to host us at their home. We shared in some wonderful times and memories during this visit. Frank, as always, was a lot of laughs and good fun! I will treasure this time that we had together with them always. Till we meet again Frank!*

“ *Frankie was one of the rare birds in life that you could sense the light in him. Not someone you met everyday, a one in a million kind of person. And I had the privilege of having him as my cousin. I know he will, along with the rest of our family in heaven, will be watching over Linda, the kids and grandkids. Love and prayers to the family, friends and community. Lisa (Patton) Eggers*

“ *Remember him, his brother Gary and his mom Norma would visit when we came down to Aunt Eva's when we were kids. I do believe he had a Nova at that time and would take me for rides. Mom remembers playing cars and trucks in the front yard when they came to visit. Our deepest sympathize from Wilam Rapier DeVor and family. He will be missed but never forgotten.*
