“ I am so very sorry for your loss. Gary was my cousin and he was the sweetest person when we were growing up. I had not seen him in many years because we live in different states but my heart breaks at the thought of him leaving so soon. I know he is at peace and in a better place. I pray for his family for comfort and peace and sending love to all of you.

“ The Fields Family were so blessed to have known Gary and served in church with him! Gary and his family have always been a blessing to us! Gary was the definition of a good man! He also loved his Jesus with all his heart! Even though he lost his battle to cancer, he never lost the faith through all he went through. We will miss him very much!
