“ To my dear friend, so happy I had the opportunity to pray with you when you were in the hospital. I am happy to say that I know Jesus received you into his loving arms. What a joy to have known you, our true treasures in life lie with our family and friends. This is our true wealth to share the love of God with each other. Sadly missed..

“ There are many memories of Gary in our teen years at church. I remember him wanting a "dressy" denim jacket and I made a bet with him that I could make one cheaper than the one he'd seen. He took my bet. I made him a denim sport coat, even with the double folded seams like the in-seams of blue jeans. He loved it! He even paid me more than the price I quoted him because I took so much trouble to make it look good. I talked to him several months ago and we talked about that jacket then!

I am so sorry to hear of his passing. RIP Gary.

“ *Gary. I am going to miss you so much, but I know you are in Heaven and that you will never suffer again and that helps to ease the pain. There won't be a day that goes by that I won't think of you, but I know you are in a much better place. I will love you always.*

Bev, I know your are hurting, because I have lost a brother, but you know one day you will see him again. I cannot say I know how you feel, but I know how it hurts to lose a loved one. The next time you see him it will be without pain and suffering. Let me know if you need anything.
