“ *Some of the best memories of my childhood include my Uncle Gary. From dancing with me in the yard, teaching me to swim at woods creek lake and showing up at our house with KFC or twenty ears of corn from Long John Silvers. He always took care of us and we knew he loved us and it continued as we grew older. From showing up with a truck load of fresh garden tomatoes to bringing gifts for my kids. He couldn't brag enough about my kids and my husband. He would do anything for anyone. I will miss him terribly. We love you Uncle Gary*❤️
