“ *Love you Grandma...*

“ *Heaven has just received a new Angel
I know this must be true
Because, Grandma, I can't think of another person who had a love
as strong as you*

*She has met our sweet Jesus at the right side of God
Now she is looking upon the Lord's face.
She walks with Him and holds His hand in His astounding grace*

*Here on Earth we miss her so
But we celebrate her life
She will always be remembered as a wonderful person
A dedicated mother, grandmother, friend, and wife*

*Her smile could light up the dimmest room
And her laugh would provoke another's grin
If you close your eyes and think back
You may hear that beautiful English accent again*

*We will not forget the impact you have made on the many lives that
you have touched
We will not forget the love that you spread upon each and every one
of us*

*When I heard the news, Grandma, I know you were there
Holding me up so I would be okay
Even right now you are with us all
I can feel you right here today*

*You live in a far better place now
I know that we all will understand
God needed you to be with him
And you deserve that Promise Land*

*And when I enter Heaven myself,
I know that you will be there*

*We can talk with Jesus and tell him our stories,
So many memories to share.*

“ I don't know what can be said about Geneva except she was a warm and loving woman. She has been through a lot but has always been strong enough to overcome all of the things that were thrown at her. I have always loved and respected her, she was a wonderful Aunt to me. I spent a lot of time with her over the years, and I am thankful I was able to. I knew I could count on her, and she knew she could count on me. when the Lord came to get Geneva, Heaven sure gained a special Angel! I know she is rejoicing up there, free from all the pain she had to suffer here on earth. Now she can see again! Now maybe Elvis can serenade you in person, I love you! Until we meet again.
