“ Please accept my deepest sympathy for I too know the pain of losing someone as special as a mom. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe away the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ I always Remember Loading up the car in Cincinnati and heading for London. Rick Patty and I were the only ones for awhile but we were ready for a ride down south. We always stopped to see Uncle Guy and Aunt Geneva , It was always the middle of the night it seemed that we would arrive Dad was just like that when he was ready to go we went. He would wake up the whole house just to let them know we were there. Uncle Guy and Aunt Geneva would get up and get us kids to bed. we were always wore out and I'm sure they were too by the time we left? It was enough to take care of Her own family let alone more that show up in the middle of the night? LOL But she always had a smile on her face and was glad to see us. We would get up and she always had breakfast made it looked like a feast to us when we were young, But that was the way things were back then our mom was the same way got to have a big breakfast to start the day. God Love You Aunt Geneva I will always remember the Smile Love always Jerry
