“ *I have been very fortunate to have several very good friends. George is one of those. Nobody has ever had a better friend than George. He would do anything to help you and always encourage you. He was virtually always positive. This is a real shame. I really miss him*

Miss you buddy. James Kelley

“ Many people knew him as George, we always knew him as Mike, our 1st cousin on his mother's side, the Hendrickson's. Mike was a good and kind man who never met a stranger. Mike loved his family, and also talked about his SAE brothers many times to me and encouraged me to go greek, which I did at the University of Tennessee with Kappa Alpha. I will never forget those Sundays when we would all come in to visit our grandparents when we were young for Sunday dinner and we would grapple over the last homemade roll. You will be truly missed by everyone who knew you.

“ I have great difficulty expressing all the joy, love and friendship George gave me, my family and all of our brothers at ECU. His giant personality and humanity made an indelible impression on our hearts and minds. His very presence made my collegiate years so enjoyable and fulfilling. He was a True Gentleman in every aspect. His modeled devoted love to his parents, Ralph & Geneva, in their later years was inspiring. George's conduct proceeded from good will and an acute sense of propriety indeed. You will be greatly missed. I love you brother. Rest in Peace, Phi Alpha, BZ

“ Very sad news about our SAE fraternity brother and buddy George "the Hack" Hacker.
What great days those were at EKU with him and the many other terrific brothers. Hack gave his time and talent generously to the fraternity, and was a true friend. I have great memories or our times together, brother, and will always cherish them. RIP Hack.
